Don't miss this free community event where we bring together our caring community whose shared purpose is to help individuals impacted by cognitive impairment. Come see a specially curated art exhibit showcasing how art promotes cognitive health, mental health, and increases socialization. Help us reach our goal of \$150K to provide "Breathing Space" respite care scholarships and aid for caregivers of loved ones with Alzheimer's, Parkinson's, and other cognitive related illnesses. Thanks to the Seyfarth Family, our first \$25,000 in donations will be matched! Make your donation today by visiting www.cvalzheimers.org or at our Open House on October 28!

Please RSVP by October 17 to
